# *Twin Rinks is the coolest place to have your birthday party!*

When you have your party at Twin Rinks, everyone is sure to have a great time on and off of the ice. Sit back and relax while we do everything from preparing the room to serving and cleaning up the mess. Our party captains will ensure that the birthday child and guests will leave the event having had the 'coolest' time of their lives.

All skating parties at Twin Rinks are held during regularly scheduled public skating hours (specialty packages are based on availability) and include skate rentals & admission for each guest, private themed party room, paper goods and much more! Reservations are based upon availability only, so be sure to book your next party with us - you'll be glad you did!
