

ADVANCED SKATING SKILLS CLINIC

FEBRUARY 17 & 19
9:00AM - 12:00PM

Take your skating to the next level! This clinic focuses on improving all aspects of intermediate to advanced skating, including jumps, spins, footwork, agility, and edge control. Skaters will refine technique, build power, and gain confidence on the ice.

A dynamic on-ice and off-ice clinic designed to help experienced skaters boost power, precision, and confidence with expert coaching and targeted drills.

Registration available at www.StamfordTwinRinks.com or for more information contact toni@stamfordtwinrinks.com
